

**MINUTES OF REGULAR MEETING
OF THE FREEBURG BOROUGH COUNCIL**

July 21, 2026

Approved August 18, 2026

The council of Freeburg Borough, Snyder County, Pennsylvania, held its regular monthly meeting on this date in the meeting room of the Freeburg Community Building. Members of the council present were: Catherine Dent, President, presiding; Tabbetha VanHorn Price, Angela Weaver, Regina Moyer, Thomas Gingrich and John Wiegler.

Others present were: Mayor Richard "Bud" Bickhart, Attorney Matthew Cravitz, Josh Owens, OPS LLC; Jason Martin, Freeburg Vol. Fire Co; Trent Hoffman, John Stuck, Sierra Zeigler, Lisa Boyer, Ben Showers, Stahl Sheaffer Engineering; Liz Cooper & Mike Coleman, Comcast.

The meeting was called to order at 7:00 p.m. with the Pledge of Allegiance.

On a motion by Thomas Gingrich and seconded by John Wiegler the minutes of the June 16, 2026, meeting were approved by the Borough Council.

PUBLIC CONCERNS –

Building Permit for 307 East New Market Street – A building permit for a boat storage lean-to was submitted for 307 E New Market Street. The structure is less than 10 ft away from the Evergreen Cemetery property line. The Cemetery Association has not granted a variance. A letter was sent to the property owner from the Cemetery Association. ***Tabbetha VanHorn Price made a motion to inform the property owner that he has two weeks to remove the existing structure, John Wiegler seconded, and the Borough Council members unanimously approved the motion.*** Wanda Kantz will inform the property owner of the Council's decision.

Building Permit for 408 East Front Street - The property owner submitted a building permit for a new garage. After review, ***Catherine Dent made a motion to approve the building permit request for 408 East Front Street, Angela Weaver seconded, and the Borough Council members unanimously approved the motion.*** Wanda Kantz will provide approved copies of the permit to the property owner for CK COG permits.

Storm Water Damage at 1 East Church Street – The storm water run off from the Community Center Parking area and playground is causing erosion of the property owners landscaping along the fence area west of the Community Center area. Thomas Gingrich suggested placing railroad ties of treated 2x10 treated boards along the area to help direct the storm water in a different direction or dig out the drainage tile area and install riprap stone. Estimated cost of the project would be less than \$500.00. ***Angela Weaver made a motion to complete the needed repairs with the best option determined by Thomas Gingrich and Borough Staff at an estimated cost of \$500.00, Regina Moyer seconded and the Borough Council members unanimously approved the motion.*** Borough Staff will complete the repairs.

REPORT FROM FREEBURG FIRE CO. – Jason Martin

From June 16 to July 21, 2026, there were 38 calls; 9 within the borough, 21 in Washington Township and 8 mutual aid.

The Fire Company would like to thank all who help with the Freeburg Carnival.

The Borough Council would like to thank the Fire Company for opening its doors during the recent multi-day power outage for residents to cool off and charge needed devices.

MAYOR'S CONCERNS – Mayor Richard “Bud” Bickhart commented about the drainage issue at 1 East Church Street; which the council has taken action on. Issues at 9 West Market Street which our Ordinances and Planning committee is working on with CK COG; and the upcoming solar field information meeting on July 30, 2026 at 6pm.

COMMUNITY CENTER COORDINATOR REPORT – Trent Hoffman

June 2026 Income - \$2,204.00

Roof Repairs due to July 4, 2026 Storm Damage – The spouting on the back of the building has been damaged, shingle have been blown off the high part of the roof. Shingles have been repaired, waiting for an estimated for repairs to the spouting. Borough Council decided to contact the insurance company and file a claim for the damages, due to the project cost exceeding our \$2,500.00 deductible. Wanda Kantz will contact the insurance carrier and file a claim.

Pole damage at Softball field – There is also damage at the electric pole at the softball field area due to the July 4, 2026 storms. Due this being an emergency issue, due to live wires possible being in contact with the public, Trent Hoffman contacted SRS Electric to complete the repairs. Cost was \$2,520.00. The Recreation Assoc. will be helping with this cost.

OPS, LLC REPORT – The June 2026 report from OPS, LLC regarding the Wastewater System was reviewed. Average Gallons Per Day (GPD): 43,000 Maximum GPD: 115,000

Completed Tasks

- Routine daily operations
- Monthly Wastewater Reports submitted
- Installed new air conditioner upstairs at WWTP
- Appropriations Meeting
- Solar Field Meeting
- COA updates to DEP
- East Front Street bridge utility meeting with R. K. Webster, PP& and homeowner
- Sewer inspection on Route 35
- Preparation and completion of DEP inspection
- Power outage check 6/6/2026
- Sewer inspection 5 North Willow Street
- Worked on clarifier issues (2 and 4)
- Sewer inspection at 105 East New Market Street
- PA One Call for 105 East New Market Street

Project Updates:

- Route 35 Lining Project (2024 LSA Funding):
 - Completed HOP paperwork, waiting for PennDOT feedback
 - Began HOP submission
 - Quantity takeoffs completed
 - Field view completed
 - Drawings completed
 - Begin soliciting COSTARS contractors to begin pricing
- Sewer System Rehabilitation Project (2026 Appropriations Funding):
 - Engineering proposal
 - Required to have American made products, confirmed with 3 contractors so far

Ongoing Tasks

- Revised LSA Grant for 2025 to New Market and White Top Road – Awaiting announcement
- DCNR Grant agreement received, Sierra working on items
- Clogging in clarifier No. 4
- Soliciting sludge hauling companies for pricing for next round of hauling

Identified Items/Tasks

- WWTP planning (Act 537)

WWTP Repairs – DEP would like an evaluation of the interior of the clarifier, which will include dewatering, cleaning and evaluation of the partition wall, piping, etc.

2024 Local Share Account (LSA) Grant Request – Freeburg Borough received \$464,349.00 in grant awards, with no match required.

- **Approval of HOP Permit Application** – A Highway Occupancy Permit is needed for the Market Street sewer lining project. Angela Weaver made a motion to approve the Highway Occupancy Permit, Tabbetha VanHorn Price seconded, and the Borough Council members unanimously approved the motion (1/20/2026). Josh Owens has submitted the HOP permit.
- **Completed Business Partner Agreement with PennDOT** – Erica Stephenson made a motion to approve the Penn DOT Business Partnership Agreement, John Wiegler seconded and the Borough Council member unanimously approved the motion (3/17/ 2026). **Business Partnership has been approved by PennDOT.**
- **Quotes for Project** – Quotes for lining for this project have been requested from several Co-Stars providers. All quote should be received before the next borough council meeting, Joshua Owens from OPS, LLC will review all quotes and make a recommendation to the Borough Council on August 18, 2026, for Council to take action upon.

2025 Local Share Account (LSA) Grant Request, *Revision* – Wanda Kantz re-submitted a Local Share -Statewide Account (LSA) grant request application for lining of the sewer lines on Market Street, requested amount \$464,349.00. LSA Grant request was submitted by November 30, 2025. Since receiving the 2024 LSA-Statewide grant for \$464,439.00. DCED is allowing the borough to revise our 2025 LSA-Statewide grant request. Josh Owens suggested submitting the revised grant request for lining sewer lines on New Market Street and Whitetop Road at an estimated cost of \$464,308.65.

Fiscal Year 2026 Appropriations Requests - Appropriation requests have been accepted by U.S. Representative Glenn “GT” Thompson and Senator John Fetterman’s offices. **Freeburg Borough received \$750,000.00 in 2026 fiscal year appropriations funding.**

- **Review of Engineering Proposal** – OPS, LLC submitted an engineering services proposal for the Sewer System Rehabilitation – 2025 Appropriations Project. This proposal lists the services that OPS, LLC will for this project, the total cost of services is estimated at \$37,000.00. Engineering services are not covered under the 2025 Appropriations agreement. Angela Weaver made a motion to hire OPS, LLC for engineering services for this project, Thomas Gingrich seconded and the Borough Council members unanimously approved the motion.

Requesting Quotes for Sludge Hauling – OPS, LLC has requested quote for sludge hauling for 2027. Quotes should be submitted by Aug/Sept 2026 for review.

MUNICIPAL AUTHORITY REPORT –

Solar Field Concerns – There is a solar field being built around the Borough’s water supply system, which includes our well and water treatment plant. There are very serious concerns regarding storm water run-off and possible pollution to our wells. There was a public meeting for Washington township residents to review the East & West Washington township solar field projects on Wednesday, April 29th from 5:30 to 7:30 pm. Fortunately Thomas Gingrich attended this meeting and discovered the concerning issues involving our water system. Catherine Dent has sent letters to all of our Federal, State and local representatives and congressmen regarding the concerns. Joshua Owens & Joshua Satteson have reached out to DEP and the EPA regarding our concerns also. Thomas Gingrich made a motion to have Attorney Cravitz send a letter to the solar field company stating our concerns and requesting they attend a future Council meeting to discuss our concerns to put them on notice, Regina Moyer seconded and the Borough Council members unanimously approved the motion (5/19/26). Attorney Cravitz sent a letter to the solar field company. A response was received from Brookfield Solar, asking for a retraction of our letter. A solar farm information meeting was held on Monday, June 29th at 7 pm at the Community Center building, with 50 people in attendance. An additional information meeting with representatives from Brookfield Solar in attendance to answer questions will be held on Thursday, July 30, 2026 at 6 pm in the community center gym. Please plan on attending this informational meeting and encourage other community members to attend.

2025 FMA LSA Grant –A LSA grant request for \$1,000.000, to replace water lines on Market Street. This grant has been reviewed and forwarded on to the next round of review. Waiting for award announcement.

Water Leaks - Currently the overflow pipe in the reservoir is broken, so the water level in the reservoir will be lowered till repairs can be made to the overflow pipe in the future.

2027 Appropriations Requests – Appropriations requested have been submitted for 2027 budget consideration to Representative Glen “GT” Thompson, Senator David Fetterman and Senator Mike McCormick offices. The FMA has received notices from Glen “GT” Thompson’s office and Senator Fetterman’s office that the FMA request is one of the selected projects they are forwarding onto the Senate Appropriations committee for review.

BOROUGH STATUS REPORT –

- Mowing of Borough Properties – ongoing project
- Fixing potholes
- There is an abandoned piece of farm equipment down near the ballfields, unsure of what to do with it
- Request from Tabbetha VanHorn Price to trim the weeds at the Freeburg sign near T-Bird Lane, Wayne Enders will work on this
- Storm Drain Issue – Center Square & Front Street – Borough crew will inspect this and come up with a repair for the issue.
- Street sign at the corner of Market and Willow streets needs to be repaired
- Storm water runoff at 1 East Church Street, to be repaired

COMMITTEE REPORTS

ADMINISTRATION & FINANCE – *Catherine Dent, Chair; Angela Weaver and Thomas Gingrich.*

Approval to Pay Bills – July 2026

- \$8,629.07 in Borough bills were presented for review
- \$18,907.14 in WWTP bills were presented for review
- ***On a motion by Tabbetha VanHorn Price the July 2026 bills presented were approved for payment, seconded by John Wiegler, the motion was unanimously approved by the Borough Council members.***
- \$2,019.88 bill from R.K. Webster for Professional Engineering Services for May 2026 was presented for review
- ***On a motion by Angela Weaver the R.K. Webster bill presented was approved for payment out of the liquid fuels account, seconded by Catherine Dent, the motion was unanimously approved by the Borough Council members.***
- Wanda Kantz will pay the approved bills.

Committee Meeting – The Administration & Finance committee met on July 3, 2026 at 3:30 pm, the committee is working on preparing a draft 2027 budget for the September 15, 2026 meeting.

Insurance Coverage Review and Request for Quotes – Wanda Kantz has been working with a local insurance carrier to get new quotes for insurance rates. We received an insurance coverage quote through Purdy Insurance Agency. The Selective Insurance quote came in at \$17,160. Compared to our current policy, this offers possible cost savings of \$2,187. The insurance packet was presented to the council to review for the next meeting. Tyler Hertzog from Purdy Insurance will be available to discuss the policy at the August 18th meeting.

Resignation of Wayne Enders – Wayne Enders resigned his lead laborer position effective July 14, 2026. Catherine Dent made a motion to accept the resignation, Regina Moyer seconded and the Borough Council member unanimously approved the motion.

**** Executive Session ****

An Executive session was called for at 8:10 pm and the Council returned from the Executive session at 8:20 pm. No Action was taken.

Advertise for Part Time Lead Laborer, as needed, Position – ***Catherine Dent made a motion to advertise the part-time lead laborer position on the borough Facebook page and the borough website, Angela Weaver seconded and the Borough Council member unanimously approved to motion.*** Wanda Kantz will advertise the position, and the committee will have a recommendation for the September 15, 2026 meeting.

Training Opportunities – No requests at this time for training.

PUBLIC FACILITIES, SERVICES AND SAFETY – *Regina Moyer, Chair, Angela Weaver and Thomas Gingrich.*

2026 Paving Project/ Willow Street from New Market St to Route 35/Market St. Regina Moyer made a motion to award the 2026 Paving Project bid to Mid-State Paving, LLC at a cost of \$25,640.00; upon final approval of the borough solicitor, Thomas Gingrich seconded and the Borough Council member unanimously approved the motion (5/19/2026). This project is scheduled for the beginning of August per Mid-State Paving, LLC. It was suggested to contact resident that live and park along Willow Street and let them know of the timeline for the project and to trim any bushes or shrubs in the area to help limit any possible damages to this property.

2026 DCED Multimodal Grant Application – Brain Haight from Penn DOT provided several

paving project estimates for the council to review. After discussion, Regina Moyer made a motion to use the paving project that include Willow Street from Market St to Front St, Front Street from Willow St to Whitetop Road and Whitetop Road from Front St to Market St.; estimated cost of \$212,272.00; for the 2026 DCED Grant application project, Thomas Gingrich seconded and the Borough Council member unanimously approved the motion (5/19/2026).

- **Grant Resolution** – A resolution needs to be approved for the 2026 DCED Multimodal Grant application. *Regina Moyer made a motion to approve the 2026 DCED Multimodal Grant application resolution, Thomas Gingrich seconded, the Borough Council member unanimously approved the motion.*
- Sierra Zeigler will submit the 2026 DCED Multimodal Grant application

East Front Street Bridge Project – Precast Concrete Box Culvert \$164,700.00, was approved

- Freeburg Borough was awarded \$184,800.00 from the DCED-Multimodal grant program for this project. No matching funds required.
- All Grant documents have been signed and approved.
- Thomas Gingrich would like a written response from the engineer, R. K. Webster that all future engineering costs will be covered by grant funds. Engineering can be covered by the grant funds, but according to the engineer there may be a short fall in grant funding to cover the engineering fees.
- Engineer has begun working on permits and bid packet for this project.
- A property owner who will be affected by the bridge project would like a tree stump removed from their property., estimated cost \$500-\$700.
- Thomas Gingrich recommends replacing the waterline and sewer line in the project area at the same time of the bridge replacement.
- Thomas Gingrich would like R.K. Webster to be present at the July, 21st Council meeting to answer questions regarding the project. A copy of the bridge contract will be sent to the committee to help them prepare questions for R.K. Webster.
- A timeline for this project has been updated by the engineer, with a 9-12 extension,
- **Engineer Recommend Opening Bridge to One Lane Traffic** – Upon recommendation by the engineer, *Catherine Dent made a motion to open the East Front Street bridge to one lane traffic, Regina Moyer seconded, the Borough Council member unanimously approved the motion. Borough staff will open the bridge to one lane traffic.*

East Front Street Bridge Damaged – Damaged by DH&L ambulance – October 21, 2025

- Reported to EMC Ins, Borough Ins.
- Reported to Kratzer's ins. agency, DH&L Ambulance ins.
- Bridge Closed, Cost- \$689.59, bills submitted to DH&L Insurance Carrier
- William Orr & Sons came to inspect the bridge for guiderail repairs on Wednesday, November 19, 2025, stated that the guide rails cannot be replaced due to the condition of the bridge, due to the damages caused by the impact of the ambulance.
- Wanda Kantz also submitted the bill for the bridge replacement project to the insurance company also.
- **DH&L Insurance Carrier will only cover what expenses are not covered by our insurance, i. e. deductible amount.**
- **Open Insurance Claim** – After much discussion, *Regina Moyer made a motion to file an insurance claim for damages to the bridge, John Wiegler seconded, the Borough Council*

members unanimously approved the motion. Wanda Kantz will contact the insurance carrier to re-open the claim.

West Front Street Bridge – Bridge originally installed in the 1960's.

- Stahl Sheaffer Engineering inspected the West Front Street bridge and recommend the weight limit be decreased to 3 tons.
- 3-ton weight limit signs have been installed.
- Stahl Sheaffer has submitted a quote for an engineered plan for the replacement of the West Front St. bridge of \$14,000.00. At this time the borough council would like to table this issue to look into other repair options.
- Brian Haight from Penn DOT coordinated a meeting with Don Keil from SEDA-COG to come and review the bridges and discuss possible repair/replacement options.
- Acrow bridge systems have been reviewed and they are not a cost-effective option for this project, per the company.
- Ben Shower from Stahl Sheaffer engineering was present at the May 19th meeting to discuss possible options for the West Front Street bridge project. He commented that the bridge abutments are not in good enough condition to put on a new deck. He recommends an aluminum box culvert at an estimated cost of \$250,000 to \$300,000, including engineering costs.
- Regina Moyer and Mayor Buddy Bickhart met with Jason Snyder and Steve Moyer from PennDOT. They are putting together a bridge repair plan.
- Regina Moyer received a quote from LIVIC for a \$6,000 bridge repair plan to use for grant applications. A LIVIC representative will attend the September 15, 2026 meeting to discuss possible options.

Penn DOT TIP List – Wanda Kantz has been able to get all the borough bridges listed on the county and Penn DOT TIP list for future funding assistance for repairs. The Borough has been informed there is tentative approval for a borough bridge funding project in 2029.

Storm Drains – There are some issues with storm drains in the borough, borough staff will investigate these issues and come up with possible resolutions for the problems.

- **Front & South Street** – Penn DOT stated that storm drains are the borough responsibility and they cannot help with this type of project.
- **Repair Estimate from Joshua Owens, OPS, LLC** – Joshua Owens shared a cost estimated for the storm drain project of \$23,700.00. The borough council will take this estimate under consideration and continue to review other possible repair options.
- Washington Township is unable to help with any storm drain repairs.
- **Center Square** – Storm drain is in need of repair
- **Softball Field** – The ditch at the softball field needs to be cleaned.

2026 County Aid Projects – Angela Weaver made a motion to approve the 2026 County Aid Project of pothole patching, Thomas Gingrich seconded and the Borough Council members unanimously approved the motion (3/17/2026). **Wanda Kantz submitted the project to Penn DOT for approval.**

East New Market Street & North Willow Street Bridge Repairs – With PennDOT reviewing our community bridges, it was discussed that culvert rehabilitation may be a feasible option for this

project. Brian Haight our Penn DOT representative, reached out to National Gunitite for a quote to do Gunitite concrete rehabilitation on the East New Market Street bridge, the company submitted a quote of \$35,114.00. The Borough Council member has approved a \$20,900.00 culvert replacement quote from Mid-State Paving

- New Market Street Bridge Repair: \$20,900.00 (Mid-State Paving)
- New Market Street Bridge Guiderails: \$2,512.00 (Chemung Supply)
- Willow Street Bridge Spall Repair: \$5,200 (Mid-State Paving)
- Willow Street & Church Street Bridge Guiderails: \$9,429.00 (Chemung Supply)
- Erica Stephenson made a motion to approve all of the bridge repair quotes, Tabbetha VanHorn Price seconded and the Borough Council members unanimously approved the motion. (June 16, 2026).

Regional Police Force – No meeting has been scheduled at this time.

ORDINANCES & PLANNING – *Tabbetha VanHorn Price, Chair, Erica Stephenson and John Wiegler*

Committee Meeting -

Borough Property Maintenance Report –The Borough Property Maintenance Report will be handled through committee. First notice letters will be sent, review inspection will be completed and if a final notice is needed, it will be mailed. If no action has been noted then the property will be referred to CK-COG for additional action.

Review of Ordinances – Tabbetha VanHorn Price and Sierra Zeigler have been working on reviewing the borough’s ordinance. Tabbetha VanHorn Price has been meeting with Matthew Cravitz and James Emory from CK COG review ordinance options and other municipalities ordinances. Some forth coming ordinance revision are a Quality-of-Life ordinance and a Pattern of Blight Conservatorship ordinances.

Livestock and Animal Ordinance (2026-??) – This ordinance was presented for council member’s review. The committee will be asking for a motion to advertise this ordinance at the August 18, 2026 meeting and approval at the September 15, 2026 meeting.

Borough Master Plan (10-year plan)– The Freeburg Borough Master Plan (10-year plan) will help coordinate borough projects in a time frame that would cover several council member changes, so projects do not get lost in the face of changing leadership. This plan would include project details and a timeline. Erica Stephenson provided the council with a draft template for the plan. The council was asked to reach out to Erica concerning any additional projects for the plan by the July meeting. Once a thorough list of projects is completed, the next step will be to prioritize the projects. This plan will be reviewed at the August 18, 2026 meeting.

COMMUNITY DEVELOPMENT – *Erica Stephenson, Chair, Tabbetha VanHorn Price*

Shared Computer Files for Council Member – Erica Stephenson had raised idea of a shared computer file for information for the council members to access, i.e. budgets, meeting minutes, quotes for purchases, etc. Sierra Zeigler reached out to PSAB and there is no issue with using this type of system according to them. Erica Stephenson will research options and share at a future Borough Council meeting.

Possible Franchise Agreement with Comcast – Comcast has reached out to the Borough Council about entering into a franchise agreement with them. Matthew Cravitz reviewed our existing franchise agreement with Service Electric and found no issues with this possible Comcast agreement. Liz Cooper & Mike Coleman were present to give an overview of the possible Comcast Franchise Agreement and the process of installing Comcast service in the borough. A draft of the

Comcast Franchise agreement was presented for the council to review.

Freeburg Commons Planning Grant –The Borough has received a DCNR planning grant for **\$23,700.00, with a borough match of 50% (\$23,700.00)**. Now, the planning process can begin. We will be working with a landscape architect and holding community input planning meetings for this project. Sierra is working on the DCNR awarded grant project checklist. **An update was submitted to DCNR on July 21, 2026 regarding the grant project.**

CORRESPONDENCE – None

NEW BUSINESS –

PennDOT Agility Agreement – Snyder County Penn DOT would like the borough to renew the Agility Agreement with them, the new agreement will run from September 22, 2026 to September 22, 2029. ***Angela Weaver made a motion to renew the Snyder County Penn DOT Agility Agreement, Catherine Dent seconded and the Borough Council members unanimously approved the motion.***

2026 Mosquito Surveillance Update – As of July 9, 2026, there have **NOT** been any West Nile virus-positive mosquito pools identified in our county surveillance program.

Robert Cravitz Retirement – Attorney Robert Cravitz has retired as the Snyder County Solicitor, but he is still practicing out of the office in Selinsgrove.

AMENDMENTS TO AGENDA & AMENDMENT TO AGENDA FOR EXECUTIVE SESSION

Consideration, if needed, of a motion for additional agenda item(s) that need to meet one of the following criteria: emergency business, matters arising within the past 24 hours, minor business raised during the meeting, or agenda changes approved by majority vote (with expressed reasons for the amendment item being stated for the minutes and the same to be posted the next business day).

COUNCIL, MAYOR, SOLICITOR, EMPLOYEE CONCERNS –

The next meeting of the Borough Council will be Tuesday, August 18, 2026, at 7 pm.

A motion was made by Thomas Gingrich, seconded by Regina Moyer to adjourn. Motion carried. The Borough Council meeting was adjourned at 9:08 p.m.

Respectfully submitted, Wanda Kantz, Borough Secretary

COMMITTEE ISSUES TO BE WORKED ON

ADMINISTRATION & FINANCE – Catherine Dent, Chair; Angela Weaver and Thomas Gingrich

- **2027 Budget Prep**
- **Community Center Expense Review**
- **Employee Reviews**
- **SU Internship Program**
- **Insurance Quotes**
- **Grant/Funding Opportunities**

PUBLIC FACILITIES, SERVICES AND SAFETY – Regina Moyer, Chair, Angela Weaver and Thomas Gingrich

- **Community Center Issues**
 - **Service Electric Cable TV Connection –**
 - **Painting of gym – quote of \$6,250.00**
 - **Roof Leaks & downspout issues**
 - **Basketball Goals - \$15,000.00 replacement estimated**
 - **Gym Renovations – Working on costs and possible funding for the following projects**
 - **Ceiling Replacement–** A quote for a new wood ceiling in the gym is \$10,950.00 for materials only. Trent Hoffman has volunteers willing to do the installation work for the ceiling project.
 - **Flooring Replacement –** Working on prices for flooring replacement
 - **Wall Padding –** Working on prices for wall padding options
- **Bridge Repairs**
 - **East Front Street**
 - **West Front Street**
 - **New Market Street**
 - **Willow/Church Streets**
- **Little League Batting Cage Replacement**
- **Storm Drain Projects**
- **Street Paving Projects**
- **2026 County Aid Project**
 - **Patching potholes**
