Infrastructure Projects

The Borough recently paved North Willow Street and made repairs to the bridges located on New Market Street, Church Street, and Willow Street. Upcoming infrastructure projects include sewer lining, replacing the East Front Street bridge, and paving South Willow Street, South White Top Road, and the connecting portion of Front Street.

Street Names and House Numbers

The votes are in and borough residents have chosen not to rename our streets to make deliveries easier. But another way we can help ourselves and our neighbors is to include directionals (East, West, North South) on our homes. For instance, if you live in house #8 on the west side of Market Street, make sure your house and/or mailbox is marked "8 West." Your neighbors and your pizza delivery guy appreciate it!

No Dumping Allowed at the Reservoir & Sewer Plant

To help protect the community's water supply, Freeburg Borough & Freeburg Municipal Authority ask residents to no longer dump yard waste and/or debris at Reservoir Hill or the Sewer Plant. Signs have been posted, and, if needed, cameras to monitor the areas will be installed. Thank you for your help in this matter.

Property Maintenance

To help maintain health and safety within our community, please keep up with your property maintenance.

The most typical violations are:

- Overgrown weeds and vegetation
- Garbage and junk accumulating on property
- Unregistered vehicles not enclosed in a building

****Violation citations can result in fines if not addressed in a timely manner.***

Go to the "Documents" section of our website and select "CK COG Maintenance Code 2024" to view specific property maintenance requirements. Reference Chapter 3: General Requirements, beginning on page 26.

Meter Reading Dates

Please be advised that the next meter reading dates are Dec. 14th-17th. Borough employees will be wearing neon yellow clothing. Water and sewer bills will be due by January 31st, 2027.

Community Concerns

If you have a concern regarding an issue in the community, such as barking dogs, parking issues, property maintenance, etc., please fill out a complaint form, found on the borough website under the "Documents" section, and return it to the Borough office with as much detail as possible. Our Borough Council committees will follow up with the concern.
